

Welcome to Urological Associates of Bridgeport, PC. We would like to take this opportunity to thank you for choosing us as your provider of urologic care. Our staff is ready to assist you and provide you with outstanding service and patient care.

To help streamline your experience with our office, we would like to share the following information with you:

- Before your visit, please ask your referring doctor to provide you with all the pertinent information about your urologic condition including laboratory results, x-rays and other radiological studies, as well as information regarding any previous treatment.
- Although we participate with most insurance plans, please contact us in advance. You may have out of network benefits that may cover a portion of your cost depending on your benefits. Our billing staff is ready to assist you with any questions you may have.
- All co-pays and outstanding balances will be collected at the time of office check in.
- We see patients by appointment only. If you have an emergency or need to speak with the physician on call, please call us and if it is after office hours, our answering service will contact the physician.

Please remember that patient satisfaction is our #1 priority and we always welcome your comments and suggestions. Please feel free to contact our Patient and Clinical Services Manager at ext. 119 and our Executive Director at ext. 132 with any questions or concerns related to the quality of care or services you received.

Welcome to Urological Associates of Bridgeport, PC!

Sincerely - the physicians and staff
